

# WHITE POINTS SYSTEM

## **INTRODUCTION:**

Dubai Police GHQ is actively seeking to reach a completely safe community. Traffic is one of the main areas of police work that follows the latest professional and technological developments using best and most advanced programs. Hence, the White Points program was introduced to motivate motorists and encourage them to adhere to traffic rules and regulations, and avoid violations of traffic law, thus leading to a higher level of traffic safety, and creating a safe community without traffic accidents and violations.

## **BENEFICIARIES:**

Individuals holding valid driving licenses issued from Dubai, who have one or more vehicles with valid registration in Dubai.

## **NUMBER OF WHITE POINTS**

24 Traffic White Points 2 points per month.

## **HOW TO COLLECT WHITE POINTS**

1. In case of no violations being recorded against the drivers traffic file ( including violations in other emirates) , two white points will be added to the file at the end of each month .
2. If the driver commits a minor traffic violation, they are denied that white points for that month.
3. If the driver commits a major traffic violation, they are denied white points for the same year, and all white points for the year, if any, will be deleted.

## **How to benefit from white points**

Upon collecting 24 white points, the following benefits can be utilized, based on the driver's request:

1. Cancel a traffic violation that does not include black points or impound period.
  2. Cancel vehicle impound for violations incurring a maximum of 30 days of impound.
  3. Replace black points for the same number of white points.
